

DREAM^{PID/ONE/ZERO}

The most emblematic coffee machine in our range for Home.

The PID version offers a totally professional performance: stainless steel Ø 58mm filter holder externally adjustable OPV and an external PID display for temperature setting, adjustable pre-infusion, stand-by option and much more.

A dream machine!.

Thermodinamic group with PID control. **Thermal stability.** Quality in cup. Less limescale build-up. Stainless steel circuit reduces limescale build-up. Unlimited steam.

Healthy 100%. AISI 316 stainless steel water circuit. No metal migration in water. Complies with European standard EN 16889.

Clean water. Here it is constantly renewed and clean for every coffee. The taste and smell of the coffee are unaffected.
